## Wind from the Sea: essays

"The word 'producer' is not a word for boys and girls, nor for those who educate them. Our business is helping children explore God's world and discover their place in it. We are daily dealing with the hidden things of the soul—desires, thoughts, ideas and wills."

## International Christians explore Redemptive Education

International Reformed Theological College (Faculdade Internacional de Teologia Reformada), a Portuguese-language Internet college, recently hosted a virtual learning session featuring Center for Redemptive Education president Amy Imbody. Amy's presentation on the topic, "Redemptive Pedagogy," reached seminary students from Brazil, Mozambique, Japan, and USA.

Amy noted, "What a joy to teach alongside Rachel Vandeburg and Solano Portelo Neto, true Redemptive Educators whose ministry reaches across Africa, Asia, North and South America, equipping pastors, teachers, and other Christian leaders to shepherd children! It was an honor to interact with them and with their seminarians."
