

Redemptive Education NEWS

FROM THE PRESIDENT

WIND FROM THE SEA: ESSAYS

"In the brief span of Jesus' teaching career, He demonstrated a simple approach to pedagogy and curriculum. He took whatever was at hand, whatever was before Him, whatever experience was familiar and accessible, and He used these, along with God's Word, to bring light and understanding where there had been shadow and unknowing." --Essay #1, [Wind from the Sea](#).

Amy E. Imbody

HONE YOUR TEACHING SKILLS WITH

CERTIFICATION

FOR TEACHERS AND PARENTS

Who should pursue certification?

- Educators preparing to **teach** in a Redemptive Education campus program.
- Homeschooling **parents** and also other individuals teaching in homeschooling groups.
- School teachers and **administrators** interested in implementing Redemptive Education principles in their own classrooms and schools.

LITHUANIA MISSION

OVERSEAS OUTREACH

EQUIPPING BELIEVERS TO TEACH

CRE President Amy Imbody has been equipping a group of teachers in Lithuania to launch a Redemptive Education program in their own community. Amy and the teachers meet regularly via Zoom, and an in-person consultation is planned. Christian education returns this former communist country to its roots; the first documented school in Lithuania was established in 1387 at Vilnius Cathedral.

INITIATIVES FOR YOUR OWN COMMUNITY

To help you start a Redemptive Education program in your community, the Center for Redemptive Education can provide you with a customized package of services and resources tailored to your specific needs and desires.

Your educational program package can be custom designed for either a partial week homeschool support program (e.g., Tuesday through Thursday) or for a full-week school program.

Depending on your needs, your customized package can include curricula, professional development and certification, consultation and REACH Plus membership.
